## PRIVACY STATEMENT

The Myer Family Company Pty Ltd group of companies (including The Myer Family Company Pty Ltd, The Myer Family Investments Pty Ltd, The Myer Family Office Ltd (AFSL number 230143), M F Asset Management Pty Ltd (AFSL number 230213) and M F Custodians Ltd) (the “MFCo Group”) has always respected your privacy rights and ensured that all personal information that has been provided has been kept confidential. The MFCo Group is committed to protecting your privacy and as such it operates by the following charter.

### Collection of Personal Information

The MFCo Group only collects personal information that is necessary for one or more of its legitimate functions or activities. It will only collect personal information by lawful and fair means. In all cases, the personal information we collect about you will be required or necessary to provide you with personalised financial service.

### Use and Disclosure of Personal Information

Your personal details will only be used for the purpose that they were collected or a related purpose. Such information will also not be disclosed to external third parties unless it is for the purpose of servicing you further or required by law. For example, we will provide your details to regulatory bodies for reporting and compliance purposes.

### Security of Personal Information

The MFCo Group will take reasonable steps to make sure that the personal information it collects or uses is accurate, complete and up-to-date. It will also take reasonable steps to protect the personal information it holds from misuse and loss and from unauthorised access, modification or disclosure. The information that we have physically collected is stored in highly protected areas. The electronic information is secured from unauthorised access by a number of stringent security measures including encryption of data accessible through our website.

### Access to Personal Information

Where the MFCo Group holds personal information about you, unless it is considered unreasonable, it will provide you with access to that information on request.
